

## **Affirming Vision Statement for Kingsview United Church**

*Approved May 1, 2022*

We are called to be the Church on Earth where all are welcome. “We are not alone. We live in God’s world.” We embrace all people including but not limited to persons of any age, race, national or ethnic origin, sexual orientation, gender identity, economic circumstances, physical or mental ability, all working together in full participation in the life and work of God’s ministry. We gather as an Affirming community based on inclusion and removing labels that segregate us from one another. We strive to build a church based on the ideals of equality, equity and justice for all people and to put these ideals into action in the life and work of our community of faith. We, like Jesus, see whole people, acknowledging that we are the sum of many parts. With our voices raised in praise, we celebrate the uniqueness of each individual and the perfect harmony we make together, all to God’s glory.
